Meta Internships Summer 2025 UX Research Intern

Description

Are you a student or recent graduate with a passion for user experience and design? Do you want to work with a company that is leading the charge in the tech industry and transforming the way we interact with the world? If so, the Meta Internships Summer 2024 UX Research Internship in Yonkers could be the perfect opportunity for you. This internship will give you hands-on experience in UX research and design, as well as exposure to cutting-edge technology and innovation.

As a UX Research Intern with Meta in Yonkers, you will work with a team of experienced designers and researchers to support the development of Meta's products and services. You will gain practical experience in user research, user testing, and data analysis, as well as contribute to the design and development of new features and products. You will work on a variety of projects, from conducting user research studies to creating user personas and user journey maps.

Responsibilities

As a UX Research Intern with Meta in Yonkers, you will be responsible for a range of tasks, including:

- Conducting user research studies, including user interviews, surveys, and usability tests
- Analyzing user research data and providing insights and recommendations to the design team
- Creating user personas and user journey maps to inform design decisions
- Assisting with the development of design prototypes and wireframes
- Participating in design reviews and providing feedback to the design team
- Supporting other UX research and design-related activities as needed

Qualifications

To be considered for the Meta Internships Summer 2023 UX Research Internship in Yonkers, you should:

- Be a student or recent graduate in a relevant field, such as design, human-computer interaction, or psychology
- Have a strong academic record and a passion for user experience and design
- Have experience with user research methods and techniques
- Be proficient in design software, such as Sketch or Figma
- Have excellent communication and interpersonal skills
- Be able to work in a fast-paced and dynamic environment

Job Benefits

As an intern with Meta, you will enjoy a range of valuable job benefits, including:

- Hands-on experience in UX research and design for a leading technology company
