## 2025 Unicef Internships Communication and Marketing

### Description

Looking for an exciting opportunity to build your career in the field of communication and marketing? UNICEF is inviting applications for its 2024 internships in Twickenham. As an intern, you'll work with a talented team of professionals to drive UNICEF's mission of making the world a better place for children.

The UNICEF internships in Twickenham offer a unique opportunity to gain hands-on experience in communication and marketing for a global organization. You'll work with a team of professionals to support the development and implementation of UNICEF's communication and marketing strategies, including content creation, social media management, and outreach to media and influencers.

### Responsibilities

As an intern with UNICEF, you'll have the opportunity to:

- Conduct research on relevant topics and trends to inform communication and marketing strategies
- Support the development of content for social media, blogs, and other digital channels
- Help manage UNICEF's social media accounts, including monitoring engagement and responding to comments and messages
- Assist in organizing events and other outreach activities
- Provide general administrative support to the communication and marketing team

### Qualifications

To qualify for the UNICEF internships in Twickenham, you should have:

- A degree or be working towards a degree in communication, marketing, or a related field
- Strong writing and communication skills
- Knowledge of social media platforms and digital marketing tools
- Experience working in a team environment
- A passion for social justice and child rights

### Experience

While previous experience in communication and marketing is not required, any relevant experience will be considered an asset. This can include:

- Previous internships or volunteer experience in a communication or marketing role
- Experience with content creation, social media management, or event planning
- Experience with graphic design, photography, or videography

### Skills

In addition to the qualifications and experience outlined above, the ideal candidate
